A WEEKLY NEWSPAPER, PRINTED EVERY MONDAY AT BARTON, VT.,

By E. H. Webber. Sample Copies Sent Free on Application.

HURRAH, she comes! 'The MONITOR,

"A cheese-box on a raft;"

We're all right, boys! of course we are,

With such an iron craft.

She comes around the corner, too,

Just in the nick of time,

And saves the 'blue-coats' from a grave

Beneath the ocean's brine.

The flag is there, that good old flag,

The stars and stripes so dear!

We'll get on board and sign our names.

'Tis dollars, two, per year.
